**Gilbert, Arizona – November 28, 2011 – Aegis Electronic Group, Inc.**, a business specializing in, the distribution, integration and support of visible and Near IR cameras, components and modified integrated system solutions has received national certification as a Women’s Business Enterprise by the Women’s Business Enterprise Council West, a regional certifying partner of the Women’s Business Enterprise National Council (WBENC).

WBENC’s national standard of certification implemented by the Women’s Business Enterprise Council West is a meticulous process including an in-depth review of the business and site inspection. The certification process is designed to confirm the business is at least 51% owned, operated and controlled by a woman or women.

By including women-owned businesses among their vendors, corporations, and government agencies demonstrate their commitment to fostering diversity and the continued development of their supplier/vendor diversity programs.

#### **About Aegis Electronic Group**

[Aegis Electronic Group, Inc.](http://www.aegis-elec.com), specializes in the distribution, integration and support of visible and Near IR cameras, components and modified integrated system solutions for industrial and machine vision imaging applications.

Committed to delivering value added solutions with the highest levels of technical support, customer service and quality hardware, Aegis, over the last 22 years, has transformed from a hardware provider into a full systems integrator of industrial analog and industrial digital camera systems.

Aegis works extensively with the latest digital technologies including FireWire®, Camera Link™, USB 2.0 and Gigabit Ethernet (GigE)® to meet the ever changing needs of our customers.

#### **About WBENC**

The Women’s Business Enterprise National Council is the nation’s largest third party certifier of businesses owned and operated by women in the United States. WBENC is a resource for the more than 700 US companies and government agencies that rely on WBENC’s certification as an integral part of their supplier diversity programs.
